SUMMARY

Computer Science student at UTeM, expected to graduate in 2027, with academic and freelance experience in web, mobile and business applications. Completed a UMK internship developing the IDEAS website. Project experience includes React/Firebase, Flutter/PHP and Java/Spring Boot with local LLM integration.

SKILLS

- **Languages:** JavaScript, PHP, Java, Dart, Python, C#, C++
- **Frameworks & Platforms:** React, Node.js, Spring Boot, Flutter, WordPress, Elementor, Power Apps
- **Databases & Tools:** MySQL, Firebase, Git, GitHub, Ollama, XAMPP, phpMyAdmin
- **Languages Spoken:** Bahasa Melayu (fluent), English (profiecient), Japanese (basic)

PROJECTS

SRS Digital Patrol System | UTeM Final Year Project

- Developing a patrol management application with a Flutter client and PHP APIs, covering QR attendance, location checks, incident reporting and role-specific workflows.

MasakGramPrompt | Java, Spring Boot, MySQL, Ollama | Group Project

- Contributed to a nutrition-analysis dashboard for Malay-English cooking transcripts using locally hosted LLMs. Supports five models and four prompting techniques across 50 transcripts, with reference-based evaluation and CSV/Excel exports.

Inspection Report System | React, Firebase, Mantine UI

- Contributed to a web application for inspection planning, equipment records, photo uploads and report generation, with Inspector, Supervisor and Admin workflows.

EDUCATION

Bachelor of Computer Science (Software Development) with Honours
Universiti Teknikal Malaysia Melaka | CGPA: 3.60 2024-2027 (expected)

Diploma in Information Technology (Digital Technology)
Politeknik Besut Terengganu | CGPA: 3.92 2020-2024

EXPERIENCE

Freelance Project Work 2026

- Worked on a SharePoint-connected Power Apps service-order system, investigating planner selection, form submission and record-binding issues.
- Worked with a client on role-specific navigation and requester, planner and mechanical engineer workflows.
- Scoped ongoing spa booking and e-commerce improvements covering receptionist approval, therapist assignment and product checkout.

Intern | Universiti Malaysia Kelantan 29 January-14 June 2024

- Developed the original IDEAS website using WordPress and Elementor for a side project led by UMK's FSDK dean.
- Created pages presenting e-business training information and resources for ASEAN women entrepreneurs. Website: ideasweli.com

HONOURS & ACHIEVEMENTS

- POLYSKILLS Malaysia runner-up, IT Software Solution for Business (2022).
- TVET Talent Awards recognition (2024).
